Subject: Organic Statement

Ahlstrom Grade(s): 1338

Dear Customer:

GMOs, Fungicides, Preservatives, and Fumigants:

Ahlstrom Filtration LLC produces the paper grade(s) mentioned above from raw materials that do not intentionally contain any fungicides, preservatives, or fumigants. Furthermore, our product(s) listed above are free from genetically modified organisms.

Please note that we do not routinely test for the presence of the above referenced substances. We rely on the information disclosed to us by our raw materials suppliers in order to respond to inquiries as accurately as possible.

For any other questions or concerns please contact regulatory.usmhs@ahlstrom-munksjo.com

Sincerely,

A handwritten signature in black ink that reads 'Kim Fogelsanger'.

Kim Fogelsanger
Process Engineer, Jr
